## KDL-32W600D

### 32" class (31.5" diag) Built-in Wi-Fi® with HD TV

Expand your world of entertainment. Explore movies, TV and apps in stunning clarity that goes beyond HD. With X-Reality PRO™, every picture is more refined, whether you are watching, streaming or playing<sup>3</sup>.

### Bullets

---

- Beautiful HD TV with the clarity and sharpness of X-Reality PRO™
- Stream YouTube™ and more with built-in Wi-Fi®<sup>3</sup>
- Living-room friendly, slim design
- Keep wires out of sight with discreet cable management
- Precise motion clarity with Motionflow™ XR
- Enjoy pure, natural audio with smooth reproduction

### Features

---

#### X-Reality PRO™: a cleaner, more refined picture

Enjoy outstanding clarity, sharpness and picture quality with everything you watch. Our combination of noise reduction technologies sharpen every scene, so the picture gleams with clear detail.

#### Enjoy HD

Experience the detail of HD across all your entertainment. From Blu-ray Discs™ to your favorite TV shows, you can see it all in perfect clarity on the screen with this Sony TV.

#### Great entertainment and apps wirelessly with built-in Wi-Fi®

Link up easily to your home network. With built-in Wi-Fi®, you're free to go online and browse movies, enjoy video channels like YouTube™ and access services like Netflix and Hulu<sup>3</sup>. Best of all, you can stream entertainment from your wireless home network and the Internet and download a variety of apps without the clutter of cables.

#### Enjoy digital content from any USB

Enjoy your favorite digital content from any USB stick. Play music, video clips and view photo collections all through your TV with super multi-format USB play. Supporting a wide range of codecs, you can experience ultimate format versatility — simply plug in and you're ready to go.

#### Incredibly slim

The screen has a narrow frame, accented with minimal bezels, so you can focus on your entertainment with near edge-to-edge pictures.

#### Cable management

Keep wires out of sight. All of your cables can be neatly arranged across the back of the TV and channeled into the stand, so everything looks tidy.

#### Motionflow™ keeps the action smooth

TV that keeps up with real life. Sony's refresh rate technology (Motionflow™ XR) allows fast moving action sequences in sports and movies to be seen with precise motion clarity.

#### Clear Phase™ for smooth, balanced frequencies
